

AMITY UNIVERSITY

UTTAR PRADESH

AMITY INSTITUTE OF ORGANIC AGRICULTURE

To Whom It May Concern

I am Dr. Durgesh Kumar Tripathi, Professor and Head, Department of Agriculture at Amity university. I teach courses like Plant physiology, Field crop production, Mechanization of small farms, etc., I am delighted to issue this recommendation in favour of D Lokesh Goud, for admission to the Master's Program at your distinguished University. I have been his faculty for the Four years he has spent as a student of BSc Agriculture (Honours) in our university. During his course of study in the University, I had the opportunity to observe his academic calibre, as well as the versatility of his personality.

Mr. D. Lokesh Goud is a sincere student with a high degree of motivation. His ability to organize his time efficiently and his meticulous preparation will be an asset to the research team. He has good problem-solving skills. His analytical thinking, self-confidence, and optimistic approach to solve problems are worth mentioning. He is a worthy team leader as well as team member. He is a very calm and patient person with a high degree of perseverance.

He has been a dedicated student and his grades have been Good. He has also assisted us in our conferences. I feel confident that he will continue to succeed in his studies.

I am confident that your esteemed university will be an ideal place for him to improve upon his existing skills by pursuing a Master's Program. I therefore strongly recommend him for admission to your college and wish him the best in his future endeavours.

Sincerely,

Dr Durgesh Kumar Tripathi
